2. For what purpose and on what legal basis is your data processed?

We process the personal data of shareholders and their representatives for the following purposes and on the following legal basis.

To fulfill our legal obligations (Art. 6 (1 c) GDPR in conjunction with the respective legal obligation)

We are subject to a variety of legal obligations associated with the Shareholders' Meeting and must process personal data to fulfill them. Pursuant to § 67e (1) of the German Stock Corporation Act (AktG), we are authorized to process personal data of shareholders for the purposes of identification; communicating with shareholders, companies, and intermediaries; exercising the rights of shareholders; maintaining the shareholders' register; and cooperation. In addition, § 67 (6) sentence 3 AktG permits us to process the data from the shareholders' register to fulfill the tasks incumbent on us in our relationship with our shareholders. On this basis, we process your personal data for the following purposes:

- Using the shareholders' portal (**Internet Dialog**) via the internet site for the Shareholders' Meeting (**HV website**) (for example, for identity checks during registration, submitting postal/online votes, granting proxy authorizations)
- Maintaining the shareholders' register (§ 67 AktG)
- Execution, preparation, and follow-up of the Shareholders' Meeting (in particular: to register shareholders and their representatives for the Shareholders' Meeting, for admission control, to ensure the efficient conduct of proceedings, to analyze votes and any objections, for capacity planning, and for other organizational planning), possibly in conjunction with other requirements of stock corporation law in accordance with § 118 et seq. AktG
- Enabling the shareholders to exercise the rights granted to them in association with the Shareholders' Meeting
- Producing the list of shareholders appearing in person or being represented by a proxy and of the proxies representing them and making it accessible, in conjunction with § 129 (1) Sentence 2 and (4), AktG
- Providing information about the Company, including the electronic or postal submission of information relevant according to securities regulations, and maintaining contact with our shareholders (investor relations)

In the interest of readability, no distinction has been made between male, female and diverse (m/f/d). All personal designations apply equally to all genders.

We are also subject to other obligations under stock corporation law, commercial law, and tax law that require the processing of personal data of shareholders and their proxies (such as reporting, disclosure, and retention obligations).

If we are legally required to do so based on Art. 9 (2 i) GDPR in connection with § 28a (1) No. 2a, 32 of the Infection Protection Law, § 4 (1) No. 6 Sentence 6 of North Rhine-Westphalia's Coronavirus Infection Ordinance, or corresponding regulations on the day of the Shareholders' Meeting, we may also have to check the proof of vaccination, recovery, or current test (called the "3G rule") of persons participating in the Shareholders' Meeting on site and match it with an official identity document.

For performance of a contract with you or to take steps prior to entering into a contract (Art. 6 (1 b) GDPR)

If you enter your email address in our Internet Dialog to participate in the sweepstakes, we will process this data to enable your participation in the sweepstakes and to contact you if you win.

Legitimate interests pursued by the controller (Art. 6 (1 f) GDPR)

We process the personal data of shareholders and their representatives to the extent necessary for the purposes of our legitimate interests or those of a third party, where such interests are not overridden by the fundamental rights of shareholders and their representatives which require protection of personal data. We have a legitimate interest in the processing of personal data with regard to the following purposes:

- Should you enter the recording area during recording activities or make a speech during the Shareholders' Meeting, the live transmission and recording will record your appearance and your speech, to enable interested shareholders and the general public to follow the Shareholders' Meeting on the internet in accordance with the explicit permission described in the German Stock Corporation Act and our Articles of Incorporation
- Communication of personal data to our external legal advisors, tax advisors, or auditors to review the legal provisions
- Presentation and analysis of the shareholder structure (overviews of the largest shareholders, for example) and their development, including the number of transactions
- Ensuring compliance with non-European securities regulations

We are legally required to contact you in advance before processing your data for any purpose not listed above.

3. Where do we obtain your personal data? What categories of personal data do we process? Is there an obligation to provide personal data?

We obtain personal data either directly from shareholders or from their representatives or indirectly from the respective custodian bank (normally via Clearstream Banking AG).

The data processed by Deutsche Telekom AG comprises the last name, first name, title and form of address, date of birth, nationality, gender, postal address, email address, and other contact details of the shareholder and, where applicable, the shareholder's representatives, data on the shares (including where they are held), and administrative data, as well as data on the exercise of shareholder rights, including the right to vote. In addition, if verification of compliance with the 3G rule is required on the day of the Shareholders' Meeting, we will process the proof of vaccination, recovery, or test status of the participants in the Shareholders' Meeting.

Under § 67 (1) Sentence 2 of the German Stock Corporation Act (AktG), shareholders are required to notify us of the data to be included by law in the shareholders' register. In accordance with § 67 (4) Sentence 1 AktG, this applies mutatis mutandis to custodian banks. Providing your personal data is mandatory in connection with the exercise of shareholder rights (except where voting rights are exercised on behalf of the person concerned).

5. Which categories of recipients receive your personal data?

For the purposes set forth in sections 2 and 4 above, we use service providers that we only provide with the personal data required to perform the relevant services. All of our employees and all employees of external service providers who have access to and/or process personal data are obligated to handle this data confidentially. Alongside ADEUS Aktienregister-Service-GmbH, which maintains the shareholders' register, they include, in particular, service providers used to prepare and conduct the Shareholders' Meeting (to create and send the notification in accordance with § 125 AktG, to record and process registration for the Shareholders' Meeting, authorizations and the exercise of shareholders' rights, technical implementation of the meeting in general, and to provide legal advice). In addition, in certain circumstances, we may transfer personal information to service providers in the areas of legal advice, printing, dispatch, and publication media (also independently of the Shareholders' Meeting).

If authorized by the shareholder or their representative in connection with the Shareholders' Meeting, the Company-appointed proxy shall only receive the personal data required to cast the vote as instructed.

To the extent that we include the aforementioned information in the list of participants of the Shareholders' Meeting, this information can be viewed by all participants during the Shareholders' Meeting and then by any shareholder upon request for up to two years, in accordance with § 129 (4) AktG.

Should you exercise your right to request information during the Shareholders' Meeting, in accordance with § 131 (1) AktG, or otherwise make a statement, your words may be noted by all participants of the Shareholders' Meeting and potentially by any internet user worldwide who follows the audio/video transmission of the Shareholders' Meeting online.

Requests for additional agenda items pursuant to § 122 (2) AktG as well as counter motions and nominations according to § 126 (1) and § 127 AktG will be made available publicly by us as set out in the invitation to the Shareholders' Meeting and, where relevant, put to the vote at the Shareholders' Meeting.

In addition, we may be required to transmit personal data to authorities, especially the Federal Financial Supervisory Authority (BaFin), e.g., on the basis of statutory notification requirements in the event that voting rights thresholds defined by law are exceeded. We transmit personal data to courts, arbitration tribunals and legal advisors, where this is necessary to establish, exercise, or defend legal claims.

6. Transfer of personal data to countries outside the EU/EEA

The personal data of shareholders and their representatives is generally processed in countries that belong to the European Union (EU) or European Economic Area (EEA).

If persons in third countries hold shares in our Company, these shareholders will also be sent information (such as invitations to Shareholders' Meetings). If these communications contain personal data (such as motions at Shareholders' Meetings in which the requester is named), this data will also be sent to third parties. Nonetheless, this transmission is necessary to ensure that all shareholders receive the same information, because shareholders in third countries are not excluded from our information requirements. As such, by transferring this data, we are fulfilling our contractual obligations. The legal basis for the data transfer is Art. 49 (1 b) GDPR.

7. How long will your data be stored for?

We anonymize or erase your personal data as soon as it is no longer needed for the purposes listed above and we are no longer required to store your data under a statutory burden of proof or retention obligation.

The data recorded in the shareholders' register must normally be retained for ten years after the shares are sold, for instance. If not saved in the shareholders' register, the personal data processed in connection with the Shareholders' Meeting shall be erased or anonymized by Deutsche Telekom AG three years after the day of the Shareholders' Meeting at the latest unless legal rules prescribe a longer retention period, namely if required by the Stock Corporation Act, the Securities Trading Act, the German Commercial Code and the Fiscal Code, or on the basis of the legitimate prevailing interest of the company, namely to establish, exercise, or defend legal claims.

Otherwise, and subject to other legal regulations – such as the German Stock Corporation Act (AktG), the German Securities Trading Act, the German Commercial Code, and the German Fiscal Code – your personal data will only be saved for a maximum of twelve months in accordance with § 67e (2) AktG, should Deutsche Telekom AG become aware that a shareholder is no longer a shareholder of the Company.

If we believe someone has been wrongfully included in the shareholders' register, the entry can only be erased after the company has informed the data subject that it intends to erase the entry and given them reasonable time to object. If a data subject objects within the deadline the data is not erased.

8. What are your data protection rights?

Provided the legal prerequisites are met, you can request the following from us:

- Confirmation as to whether or not your personal data is being processed, in accordance with Art. 15 GDPR
- Rectification of your personal data, in accordance with Art. 16 GDPR
- Erasure of your personal data, in accordance with Art. 17 GDPR
- Restriction of processing of your personal data, in accordance with Art. 18 GDPR
- Transfer of certain personal data to you or a third party named by you (right to data portability), in accordance with Art. 20 GDPR.

You also have the right to object to the processing of your personal data, in accordance with Art. 21 GDPR (for more information, see point 9.).

You can assert these rights free of charge using the contact details in section 1 above. Furthermore, you have the right to lodge a complaint with a supervisory authority in accordance with Article 77 GDPR. This includes the data protection authority responsible for us, which can be contacted as follows:

In accordance with § 67 (6) Sentence 1 of the German Stock Corporation Act (AktG), shareholders can demand information from the company on the personal data entered on them in the shareholders' register. At www.telekom.com/hv-service, under the section for the shareholders' register service, you can view the main data held in the shareholders' register about you and, if necessary, change your address.

9. Right to object, article 21 GDPR

You have the right to object at any time, on grounds relating to your particular situation, to the processing of your personal data on the basis of Article 6 (1 f) GDPR (data processing on an assessment of legitimate interests). If you object, we will no longer process your personal data, unless we can prove that there are mandatory reasons for processing that override your interests, rights, and freedoms, or that the purpose of data processing is to establish, exercise, or defend legal claims. Such objection can be submitted without any specific formal requirements, where possible to the contacts set out in section 1 above.
