

## Prof. Sihler appointed as interim CEO

# Investor Relations

## Ad hoc notification

### **Ad hoc notification by Deutsche Telekom AG in accordance with Section 15 of the Security Trading Act (WpHG)**

Bonn, July 16, 2002

The Supervisory Board of Deutsche Telekom has agreed on the advice of the representatives of the Shareholders as well as the representatives of the employees to appoint the former chairman of the Supervisory Board of the company, Prof. Dr. Helmut Sihler, for the duration until the appointment of a new CEO, for a period of no longer than six months, to the Board of Management and as its chairman. He is to coordinate the functions of the board and to take the necessary consolidating steps.

At the same time the Supervisory Board has appointed Gerd Tenzer as the Deputy Chairman of the Board of Management.
